

Job Ref No: 1352018

Closing Date: 16/05/2025

Colombo Dockyard PLC

"...an Odyssey of Excellence"

VACANCY

Mechanical Engineer

Colombo Dockyard PLC (CDPLC), a premier ship repair and shipbuilding company in Southeast Asia, seeks talented mechanical engineers to join our innovative team. Initial positions available on a contract basis.

Eligibility Requirements:

- Bachelor's degree in mechanical engineering from a recognized university
- Registration or qualifying membership with the Engineering Council Sri Lanka (ECSL)

Preferred Qualifications:

- **Professional Experience:** Minimum of 2 years in mechanical engineering, marine engineering, or the power industry.
- **Technical Expertise:** Proficient in overhauling, repairing, and troubleshooting mechanical machinery, including marine engines and generators, pumps, propulsion systems, and valves.
- **Regulatory Knowledge:** Comprehensive understanding of industrial safety regulations and ISO standards.
- **Team Collaboration:** Strong team player with excellent problem-solving and troubleshooting skills, effective communication abilities, and a proven track record of working well in deadline-driven operational environments.
- **Project Management:** Experience or qualifications in project management (internships considered).

Additional Information:

- Candidates must be under 35 years of age
- Competitive salary and benefits package offered
- Selection through comprehensive interview process

Please submit your CV to hrd@cdl.lk by May 7th, 2025. Include "Mechanical Engineer" as the email subject line.
